Grant Announcement Summary

Grant Title: HS READYWisconsin 2014

Description: This funding will continue to support the Student Tools for Emergency Planning (STEP) program and Homeland Security awareness campaigns.

Opportunity Category: Limited Eligibility

Important Dates:

Application Due Date: October 20, 2014

Project Start Date: November 1, 2014

Project End Date: June 30, 2015

Anticipated Funding Amount: As approved by the 2014 Homeland Security Funding Advisory Committee, the dollar amount available under this funding opportunity is \$30,000.

Match/Cost Sharing Requirement: None

Eligibility: Only Wisconsin Emergency Management (WEM) is eligible as a sub-grantee for this funding.

DUNS Number: The federal government now requires a DUNS number as part of the grant application to keep track of how federal grant money is awarded and dispersed. If your organization needs to obtain a DUNS number, go to <http://fedgov.dnb.com/webform>. You can also search this site if you cannot find your agency's number. Under normal circumstances, a new account can be created in 24-72 hours. The federal government has published DUNS Frequently Asked Questions at <http://fedgov.dnb.com/webform/displayFAQPage.do>. Check with your agency's financial office before registering for a DUNS number - it is likely your agency already has one.

WEM cannot award grant funds until an active DUNS number is provided.

Eligible Expenses: Funding may be used for eligible Supply and Operating, Consultants and Contractual expenses associated with the STEP program and awareness campaigns.

All expenses must be new and cannot replace existing state or local government funding. Substitution of existing funds with federal grants (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

HS READYWisconsin 2014

Program Description

WEM will provide grant funds for the continued support of the Student Tools for Emergency Planning (STEP) program and Homeland Security related awareness campaigns.

The STEP program teaches students how to prepare for various seasonal weather emergencies ranging from flooding, tornados, and storms. The students are then asked to share the information with their family and create their own family emergency plan; this program will be implemented during the 2014-2015 school year. In addition, various awareness campaigns Public Service Announcements (PSA), will be released regarding seasonal weather, and preparedness month.

Submit Applications Using Egrants

Applications must be submitted through the Egrants online grants management system. If you have never used Egrants before, you will need to register for access to the system. To register online, go to <http://register.wisconsin.gov/AccountManagement/> and complete the 'self-registration' process.

Authorization to access Egrants can take several days depending on registration activity. The WEM help desk is open Monday-Friday 7:30am-4pm if you need assistance. (Please note: If you register outside of these hours, access may not be approved until the next business day.) Once your Egrants access has been approved, you may begin your online grant application.

An Egrants System User Guide is posted on the WEM website:

Application Components

Through Egrants, you will provide WEM with detailed information about your project that will be used to make a funding decision. Questions on what is expected in each section can be directed to Shannon Ladwig at (608) 242-3231 or at shannon.ladwig@wisconsin.gov.

1. Main Summary

This page asks for information about your agency and the individuals responsible for the application and grant award. There are many required fields on this page so if you encounter problems, please check online help by clicking the floating HELP button. Please note: When identifying individuals involved in this grant, you may not list the same person as project director and financial officer. The financial officer is the individual responsible for financial activities in your organization while the project director will be overseeing project operations.

In the Brief Project Description text box, please describe your project in 150 words or less. A suggested format is included for your convenience:

“Funds will be used by the (your agency name and others involved in the project) to (describe what funds will be used for and who will be involved). The (what - equipment, training, project, pilot, etc.) will (describe the specific goals you hope to achieve – how will the project or equipment improve safety in Wisconsin?) [If appropriate, add which area(s) of the state will benefit]”

Responses to this section will be used on the WEM website, cited in WEM reports and could be mentioned in press releases. Plain language that clearly describes the intent of the project is most effective.

2. Approval Checklist

Answer Yes, No, or N/A (not applicable) to each question.

3. Performance Measures

Please open this section and change the page status to Complete; then SAVE the page. Performance Measures will be identified and collected during post-award reporting rather than through this funding application process.

4. Budget Detail

Complete a project budget using the following categories. For each category used, enter a justification that describes how the items in that category will be used during the course of the grant period. It is important that you include specific details for each budget line item, including cost calculations.

Supplies and Operating Expenses: Includes consumables such as paper, stationery, postage, and software. Also includes operating expenses such as rent and utilities. Show computations for all items. For example, Rent: \$150/mo x 12 months = \$1,800.

Consultants/Contractual: Provide costs associated with individuals or entities providing services through a contractual arrangement. With the exception of a few justified sole source situations, contracts should be awarded via competitive processes. Attach detailed information to support the total cost of each contract. For each consultant enter the name, if known; service to be provided; hourly or daily fee (8 hour day); and estimated time on the project. Consultant fees in excess of \$450 per 8 hour day require additional justification (contact WEM). List all expenses to be paid from the grant to the individual consultant in addition to their fees (e.g., travel, lodging, meals, etc.). Show the basis of computation for each service requested. Within 30 days of grant award date, a signed contract must be received by WEM. No fund reimbursements will be made prior to receipt of the contract.

5. Budget Narrative

Describe how your budget relates to the overall program, and other sources of funding that support this project.

6. Project Narrative

Describe the STEP program and the various awareness campaigns; please include what objectives or milestones that will be accomplished with this funding.

Application Review and Award Criteria

All applications must be submitted on or before the deadline and will be screened for completeness and compliance with the instructions provided in this announcement. WEM staff will review applications to ensure consistency with statewide strategies and make funding recommendations to the Adjutant General. All final grant award decisions will be made by the Adjutant General.

Post-Award Special Conditions/Reporting Requirements

If you are awarded funds under this announcement, you will be required to provide regular progress reports. The schedule for your reports will be included in your grant award materials. At that time, please review all of your grant award special conditions and Egrants reporting requirements. In addition to any special conditions described in your award documents and reporting requirements contained in Egrants, you will need to provide the following:

1. Upload into Egrants program report a spreadsheet reflecting the following STEP Program information;
 - ✓ Names of school that participated
 - ✓ Number of class rooms within each school that participated
 - ✓ Number of students at each school
2. This funding is intended to support the implementation activities and deliverables as outlined in the grant application and associated project proposal documents submitted to DMA. Activities other than those expressly detailed in the grant are not allowable without prior approval from DMA.
